

PRUDENTAS LLC to join Leading Chief Scientific Officers at the Evolution Summit, hosted by marcus evans Summits

23 September 2010

marcus evans summits, is pleased to announce PRUDENTAS LLC as a Sponsor at the **Evolution Summit**, taking place 27-29 October 2010 at the prestigious Fairmont Le Montreux Palace, Montreux, Switzerland.

PRUDENTAS LLC, a clinical research organisation registered in March 2007 and headquartered in Moscow, Russia, is scheduled to meet one-to-one with attendees of this prestigious event as a direct platform for highlighting the services offered by PRUDENTAS.

PRUDENTAS was founded by and consists of highly qualified clinical research professionals with extensive experience of working previously together as a team. PRUDENTAS was created to support the success of their clients with their excellence in clinical trials in Russia and Ukraine. The company conducts clinical studies Phases I-IV in various therapeutic areas for American and Western European sponsors in Russia and Ukraine. PRUDENTAS offers regulatory approvals, monitoring, GCP training, project management and site management. For more information please visit their homepage: www.prudentas.com

The Evolution Summit (www.evolution-summit.com/PRUD), offers the perfect setting to present products and services directly to the key decision makers and gate keepers of the immense global development budgets. Over three days, sponsors will meet and interact with top pharmaceutical and biotechnology executives through a number of business one-to-one meetings and many networking activities. At the Evolution Summit, attendees will follow a personalised agenda designed to maximise their limited time and to effectively meet their business needs and interests. The speakers include: Kenneth Chien, Director of the Cardiovascular Research Center, Massachusetts General Hospital, Professor of Stem Cell & Regenerative Biology, Harvard University; Diarmuid Jeffreys, Author, 'Aspirin: The Remarkable Story of a Wonder Drug'; Jonathan Knowles, Professor of Translational Medicine, Ecole Polytechnique Federale de Lausanne & Former President of Group Research, F. Hoffmann-La Roche & Board Member, Genentech; Joris Van Dam, IT Director Health Information Technology, Health Information Science, Johnson & Johnson and Anna Matranga, Head of Global Purchasing & Outsourcing, Galderma R&D.

marcus evans Summits (www.marcusevans.com), produces high level business platforms for the world's leading decision-makers. These dynamic and innovative forums initiate and develop business relationships one to one between director and C level practitioners from the world's most influential organisations and with leading product and service suppliers. **marcus evans Summits** guarantees an exclusive format which enables participants to achieve the maximum amount of business and knowledge interaction over a three day event in a stimulating environment.

PRUDENTAS LLC representatives will have a number of pre-scheduled meetings with Chief Scientific Officers, Chief Medical Officers, Vice Presidents of Clinical Research and Development, Directors of Scientific and Medical Affairs, Heads of Clinical Operations and Heads of Early Clinical Development & Exploratory Science.

Please note that the Evolution Summit is a closed business event.
